

Dear friend:

The window of opportunity that we have left to share the gospel is very short. The signs of the times indicate that we are running a race against time. The finish-line for this world is in sight. We need your help in this last-day "sprint" to carry to the world the glad tidings of salvation through Christ.

Recently the South Africa-Indian Ocean Division leadership contacted Remnant Publications requesting Portuguese Bibles for the members in the four conferences of Mozambique. They have 993 churches and **almost 300,000** members, but **only a few have a Bible**. Can you imagine trying to preach the Word of God without a Bible? We frequently hear of entire congregations that share only one Bible.

Mozambique is the seventh poorest economy in the world. They are hungry for the Word of God but cannot afford Bibles. The majority are fortunate if they even have one meal a day. **They need our help**. They need the message of God's love-of salvation-they need to know that God offers them a better future in eternity.

Therefore, through the Lord's leading, Remnant Publications has acquired the Portuguese Bible files for printing. While the price of everything continues to spiral upward, by God's grace, we are still able to print these Bibles and ship them for only \$3.00 per Bible. However, with 40,000 Bibles in a container it still costs \$120,000 for only one container of Bibles and that just starts to scratch the surface of their needs.

We need your help! Today, YOU can help answer the prayers of our brothers and sisters in Mozambique. Will you prayerfully consider what you can do to help make these Portuguese Bibles for Mozambique a reality?

For we know that once the good news of the gospel has gone to all the world, Jesus will return. Remnant Publications is doing all within its power to play a significant part in making this happen soon. We urge you to join with us in this calling. Whether financially or actively, will you help us reach souls for Jesus today?
