

Dear friend:

Imagine living in a world without Bibles...How would you learn about Jesus? How would your faith grow? How would you give Bible studies and share the gospel truth with seekers?

Sounds impossible, doesn't it? Yet that's what the poor Christians in Mozambique are forced to do. Mozambique is the seventh poorest economy in the world. They are hungry for the Word of God but cannot afford Bibles! The majority are fortunate to have even one meal a day. **They need our help!** With 993 churches and **almost 300,000 Portuguese speaking members**, only a few have a Bible. In fact, many times the Pastors even have trouble getting a Bible. Can you imagine trying to preach the Word of God without a Bible?

That's why Remnant Publications, a non-profit ministry sharing Christ through the printed word for more than 25 years, continues to lead a powerful movement to ship Bibles to poverty stricken areas around the world where they need the message of God's love—of salvation—of hope that God offers them a better future in eternity.

Stepping forth in faith, Remnant Publications has acquired the Portuguese Bible files for printing. While the price of everything continues to spiral upward, by God's grace, we are still able to print these Bibles and ship them for only \$3.00 per Bible. However, with 40,000 Bibles in a container it still costs \$120,000 for only one container of Bibles and that just starts to scratch the surface of their needs.

At only \$3 for printing and shipping a Bible by container, for every \$15 you give, 5 Bibles will go to Mozambique. And better yet, through sharing, up to 20 people will be blessed by each Bible—meaning 100 people will hear about Jesus! Imagine what \$50, \$175, or even \$1,000 could do!

**We need your help** to make this a reality. They are dedicated to sharing Christ, but they can't do it without Bibles! That's why every Bible sent will go to a Christian who has pledged to share the gospel with at least one soul for Christ.

Today, YOU can help to answer the prayers of our brothers and sisters in Mozambique. Your support has made it possible to ship almost a million Bibles to nineteen countries in Africa including Ghana, Zambia, Nigeria, and Ethiopia. In addition, Spanish Bibles have been shipped to Cuba, Mexico, and South America. Will you prayerfully consider what you can do to help make these Portuguese Bibles for Mozambique a reality?
