FREQUENTLY ASKED QUESTIONS

1) Why is BIBLES FOR AFRICA AND BEYOND a more urgent project for the world church to consider doing right now?

Answer: BIBLES FOR AFRICA AND BEYOND are urgently needed because 70 percent of the people infected with AIDS live in the African countries. With a life expectancy average of 46 years, many of these people will go to their graves without knowing Christ unless they are reached with the truth of God's Word—and quickly! People will go three days without food in order to save enough money to buy a Bible. Urgent? Yes!

2) How much does a new Bible cost and how many people will have access to it?

Answer: By God's grace, Remnant has been able to keep the price amazingly for Bibles—at just \$3 each. That means for every \$15 you give, five Bibles will be shipped. And better yet, through sharing, up to 20 people will be blessed by a single Bible—meaning 100 people will hear about Jesus! Imagine what \$50, \$175, or even \$1,000 could do! A donation of \$1,500 will buy 500 BIBLES, which has the potential of reaching 10,000 souls with the Word of Life.

3) Which Bible version are we sponsoring to send?

Answer: Remnant Publications' newest Bible is a King James Version Bible with a Bible Topical Study Series in the appendix. Thus far we have sent the Bibles to Africa in English. We are currently working on the Portuguese for Mozambique. English is one of the primary languages that many read and speak in much of Southern Africa. The Spanish version is used in Cuba, Mexico, and South America.

4) Is there a special version of Bible that you want us to collect for the project?

Answer: We hope that most people will prefer to sponsor the new Bibles published by Remnant Publications. But regarding used Bibles, we are only sending Bibles that are in good to very good condition. We do not have any facility to repair damaged or old Bibles, so save the postage and do not send those. A personal note on the inside of each Bible is appreciated, but please do not include your address. Marked or highlighted Bibles are great. Please do not buy dollar-store Bibles. Often they are printed on newsprint and the type is usually too small. We are told they wear out very quickly. At this time we are also requesting full Bibles only and no "New Testament" editions.

5) To what address do we send the Bibles?

Answer: Please ship to: Bibles for Africa
c/o Remnant Publications
649 E. Chicago Rd.
Coldwater, MI 49036

6) Who pays the postage for the Bibles to get to Remnant Publications?

Answer: The group that collects the Bibles is responsible for paying the postage to Remnant Publications.

7) What is the least expensive way to get the Bibles to Michigan?

Answer: Media Mail through the US Post Office is the least expensive.
