

\$3 Affects 20 People's Lives

Remnant Publications, a non-profit publisher of Christian material is coordinating the printing and shipping of Bibles to Africa and Beyond for a mere \$3 each. By God's grace, Remnant will distribute Bibles to those who thirst for the knowledge of Jesus throughout English and Portuguese speaking areas in Africa, Spanish speaking countries such as Cuba and Mexico, and other poverty-stricken countries around the world.

Just one Bible will touch at least 20 people, so your gift of \$15 will profoundly affect the spiritual lives of 100 people. Imagine what \$50, \$175, or even \$1,000 could do!
